If you lost/damaged a textbook, you have 3 options: 1) Pay EGUSD's full replacement (see list below). If within 1 year of payment date book is found, a refund is mailed home; 2) Pay 10% down and set up a Payment Contract to make regular payments, or 3) Save and self-purchase book online for fraction of cost; however, you must provide receipt--digital/email or paper. Before you Self-purchase a Replacement Textbook, read Steps 1-3 carefully.

- 1) Go on-line to a reputable discount book resale website; you may google one of these:
www.amazon.com <http://www.half.ebay.com> used textbook search site <http://www.bigwords.com>
- 2) Must purchase exact book by the ISBN number listed **must match exactly** in order for us to accept it as a replacement for a lost textbook. (If the textbook is not on this list, please see a library staff person for the information.)
 - WARNING! Shop & select replacement textbook carefully! If the book purchased online does not meet the EGUSD self-purchase guidelines we **CANNOT ACCEPT** the book.
 - We **ONLY ACCEPT** a book that is in **GOOD** to **EXCELLENT** condition with no graffiti, water or spine damage or any other physical damage to the book.
 - We **CANNOT ACCEPT** a book from Elk Grove School District or any other School District, School or College.
 - No REFUNDS are given for self-purchased book if lost item is found; return book to vendor or donate to PG.
- 3) When you purchase the replacement book online, mail to your home address. Bring proof of purchase receipt (print or email) to the Library and we can issue you a loaner textbook. **When the replacement textbook arrives, bring it to the library and we will clear the fine from your account.**
