January 2020

Dear Parents and/or Guardians of Incoming 8th through 12th Grade Students,

Due to continued growth in the attendance area for Katherine L. Albion Middle School (KAMS) and Pleasant Grove High School (PGHS), any eighth through twelfth grade student who has moved into the KAMS or PGHS attendance area after August 10, 2017 will be redirected to either Joseph Kerr Middle School (JKMS) and Elk Grove High School (EGHS) or T.R. Smedberg Middle School (TRSMS) and Sheldon High School (SHS), based upon the location of their residence. This redirection is necessary because both KAMS and PGHS are projected to once again exceed their facilities capacities for the upcoming school year.

Specifically, for the 2020-2021 school year, all current eighth through twelfth grade students who registered in the KAMS/PGHS attendance boundaries after August 10, 2017 who reside south of Calvine Road or east of Grant Line Road will be redirected to Joseph Kerr Middle School (JKMS) and Elk Grove High School (EGHS). This includes students who reside in the boundaries of Edna Batey Elementary, Cosumnes River Elementary, C.W. Dillard Elementary and Pleasant Grove Elementary schools. Please note that all newly enrolled students who reside in the boundary of Pleasant Grove Elementary School will be redirected to Joseph Kerr Middle School (JKMS) and Elk Grove High School (EGHS), including those residing north of Calvine Road.

Incoming eighth through twelfth grade students enrolled after August 10, 2017 who reside north of Calvine Road and west of Grant Line Road will be redirected to T.R. Smedberg Middle School (TRSMS) and Sheldon High School (SHS). This includes students who reside in the boundaries of Sierra Enterprise Elementary, Sunrise Elementary, Robert J. Mc Garvey Elementary and Arnold Adreani Elementary schools.

As in past years, redirected students will remain at their “new” school for the entire school year to ensure academic program continuity. Should space become available, students will be invited to return to KAMS or PGHS at the end of the school year for enrollment the following school year in the order of their date of placement on the waiting list.

All redirected students are to begin the registration process at KAMS or PGHS. After you return your completed registration packet to KAMS or PGHS, you are asked to contact your “new” middle or high school to make an appointment to select your student’s classes. Your processed registration packet will be forwarded to your new school.

Transportation may be provided for redirected students to their new school at no cost. (Please be advised that there are some non-service areas in which transportation will not be provided.) Please contact Elk Grove Unified School District Transportation at 686-7733 for information regarding service areas or register your student to ride the bus. All students must be registered to ride before attempting to board the bus. Pick up and drop off times and locations will be determined once students register.

My staff and I assure you that your child will receive an excellent education at any of the four redirect schools. Each school has a highly qualified staff, rigorous academic programs, an involved parent community, and a variety of athletic and extracurricular activities.

Should you have further questions or need information regarding your child’s new school, please feel free to contact the school directly or through the District website at www.egusd.net.

Sincerely,

Craig Murray
Assistant Superintendent of Schools, Secondary Education

EGUSD Student Opt-Out Form 2020-2021

This form provides parents the opportunity to opt their student out of public media coverage, posting of student images and names through EGUSD digital communication tools, release of directory information, viewing of PG-13 or R-rated films, and participating in family life education. Please read each section of the form carefully.

If you would like to opt your child out of any of the following sections, please fill out your child’s information (one form per child), check the associated box, and sign the form.

Please note: This is an OPTIONAL form. The form should be returned to the school only if you wish to opt your child out of one of these areas.

Multimedia Withhold Form

There are occasions when news media are on school campuses to interview, photograph and videotape students for print and broadcast stories. Many of these stories are positive and highlight the good things happening in EGUSD schools. However, there are times when the media seeks access to our schools on more controversial issues. At all times, our goal is to maintain student security and privacy.

If you want your child to be excluded from media stories, please check the box below and sign the form. Please know that there are times when the media will interview or photograph students off campus or without checking in with the front office. This form only acts as a guide to media coverage. It does not guarantee that your child will not be interviewed or photographed.

☐ I DO NOT want media representatives to publish/broadcast interviews with or photographs/video identifying my child.

Posting of Student Images and Names on EGUSD Digital Communication Tools

EGUSD offers a number of opportunities to publicize positive school and student events and accomplishments through district and school digital communication tools. Parents have the choice to withhold their student’s images (photos and video) and name from being posted by checking the area below. The publication of student image(s), along with both first and last name, requires prior written consent of the student’s parent/guardian.

The only exception to this rule is the posting of student photos with first and last name into an EGUSD administrative system such as the student information system (Synergy) or the library system. These are closed systems that only EGUSD teachers, administrators and limited support staff have access to through password-protected logons. There is no opt-out of these closed systems.

By checking the box below you are choosing NOT to allow the posting of your student’s name or image through digital communication tools. Please know that this will result in your student’s name not being published electronically for recognitions, student honor roll, awards, events, contests, school newspaper articles and clubs.

☐ I DO NOT want my student’s image and name posted through any Elk Grove Unified digital communication tools.
Release of Directory Information/Yearbook Information

Pursuant to the Family Educational Rights and Privacy Act (FERPA) and the California Education Code, the District may release directory information to certain persons or organizations, as specified in this handbook, when it is requested. Directory information may include a student’s name, photograph, address, telephone information, email address, major field of study, participation in officially recognized activities and sports, weight and height of members of the athletic teams, dates of attendance, degrees and awards received and the most recent previous public or private school attended. In the case of students who have been identified as having special needs or homeless, no material can be released without parent or guardian consent. Parents and guardians can opt-out of having their child’s directory information released by checking the box below and signing the form.

If you do not want your child’s directory information released, choose one of the following two options:

☐ Option A: NO student directory information released at all, including NO yearbook and award listings.

☐ Option B: NO student directory information released generally; YES include in yearbook and awards listings.

Movies and Videos

The District has a policy limiting the types of movies shown in classrooms. PG-13 rated movies that are District approved may be shown only to grades 6-12. If you do not want your child to view PG-13 rated movies during the 2017-2018 school year, please check the box below:

☐ I DO NOT want my child to view approved PG-13 rated movies. I prefer that my child be given alternative assignments.

R rated movies that are district-approved may only be shown to grades 9-12. If you do not want your child to view R rated movies during the school year, please check the box below:

☐ I DO NOT want my secondary student to view approved R rated movies. I prefer that my child be given alternative assignments.

5th and 6th Grade Family Life Education

Each year, District elementary schools offer a unit in Family Life Education to students in grades 5 and 6. The District’s family life curriculum is based on abstinence and acknowledges the family as the primary provider of family life education. Under state law, parents have the right to excuse their children from the Family Life Program. If you do not want your child to participate in the Family Life Program during the 2017-18 school year, please check the box below and sign the form.

☐ I DO NOT want my child to participate in the Elementary Family Life program. I would prefer that my child be given alternative assignments.

INSTRUCTIONS FOR THE ED 506 FORM

FOR APPLICANTS:

PURPOSE: To comply with the requirements in 20 USC 7427(a), which provides that: "The Secretary shall require that, as part of an application for a grant under this subpart, each applicant shall maintain a file, with respect to each Indian child for whom the local educational agency provides a free public education, that contains a form that sets forth information establishing the status of the child as an Indian child eligible for assistance under this subpart, and that otherwise meets the requirements of subsection (b)."

MAINTENANCE: A separate ED 506 form is required for each Indian child that was enrolled during the count period. A new ED 506 form does NOT have to be completed each year. All documentation must be maintained in a manner that allows the LEA to be able to discern, for any given year, which students were enrolled in the LEA's school(s) and counted during the count period indicated in the application.

FOR PARENTS/GUARDIANS:

DEFINITION: Indian means an individual who is (1) A member of an Indian tribe or band, as membership is defined by the Indian tribe or band, including any tribe or band terminated since 1940, and any tribe or band recognized by the State in which the tribe or band resides; (2) A descendant of a parent or grandparent who meets the requirements described in paragraph (1) of this definition; (3) Considered by the Secretary of the Interior to be an Indian for any purpose; (4) An Eskimo, Aleut, or other Alaska Native; or (5) A member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect on October 19, 1994.

STUDENT INFORMATION: Write the name of the child, date of birth and school name and grade level.

TRIBAL ENROLLMENT INFORMATION: Write the name of the individual with the tribal membership. Only one name is needed for this section, even though multiple persons may have tribal membership. Select only one name: either the child, child's parent or grandparent, for whom you can provide membership information.

Write the name of the tribe or band of Indians to which the child claims membership. The name does not need to be the official name as it appears exactly on the Department of Interior's list of federally-recognized tribes, but the name must be recognizable and be of sufficient detail to permit verification of the eligibility of the tribe. Check only one box indicated whether it is a Federally Recognized, State Recognized, Terminated Tribe or Organized Indian Group. If Terminated Tribe or Organized Indian Group is elected, additional documentation is required and must be attached to this form.

- Federally Recognized - an American Indian or Alaska Native tribal entity limited to those indigenous to the U.S. The Department of Interior maintains a list of federally-recognized tribes, which OIE can provide you upon request.
- State Recognized - an American Indian or Alaska Native tribal entity that has recognized status by a State. The U.S. Department of Education does not maintain a master list. It is recommended that you use official state websites only.
- Terminated Tribe - a tribal entity that once had a federally recognized status from the United States Department of Interior and had that designation terminated.
- Organized Indian Group - Member of an organized Indian group that received a grant under the Indian Education Act of 1988 as it was in effect October 19, 1994.

Write the enrollment number establishing the membership of the child, if readily available, or other evidence of membership. If the child is not a member of the tribe and the child's eligibility is through a parent or grandparent, either write the enrollment number of the parent or grandparent, or provide other proof of membership. Some examples of other proof of membership may include: affidavit from tribe, CDIB card or birth certificate. Write the name and address of the organization that maintains updated and accurate membership data for such tribe or band of Indians.

ATTESTATION STATEMENT: Provide the name, address and email of the parent or guardian of the child. The signature of the parent or guardian of the child verifies the accuracy of the Information supplied.

The Department of Education will safeguard personal privacy in its collection, maintenance, use and dissemination of information about individuals and make such information available to the individual in accordance with the requirements of the Privacy Act.
