Robert L. Trigg Education Center  
9510 Elk Grove-Florin Rd., Elk Grove, CA 95624

January 2023

Dear Parent and Guardians of Incoming 8<sup>th</sup> through 12<sup>th</sup> Grade Students,

Due to continued growth in the attendance area for Katherine L. Albiani Middle School and Pleasant Grove High School, any eighth through twelfth grade student who has moved into the Katherine L. Albiani Middle School or Pleasant Grove High School attendance area **after June 1, 2021** will be redirected to either Joseph Kerr Middle School (JKMS) and Elk Grove High School (EGHS) or T.R. Smedberg Middle School (TRSMS) and Sheldon High School (SHS), based upon the location of their residence. This redirection is necessary because both Katherine L. Albiani Middle School and Pleasant Grove High School are projected to once again exceed their facilities capacities for the upcoming school year.

Specifically, for the 2023-2024 school year, all current eighth through twelfth grade students who registered in the Albiani Middle School/Pleasant Grove High School attendance boundaries **after June 1, 2021** who reside south of Calvine Road or east of Grant Line Road will be redirected to Joseph Kerr Middle School (JKMS) and Elk Grove High School (EGHS). This includes students who reside in the boundaries of Edna Batey Elementary, Cosumnes River Elementary, C.W. Dillard Elementary and Pleasant Grove Elementary schools. Please note that all newly enrolled students who reside in the boundary of Pleasant Grove Elementary School will be redirected to Joseph Kerr Middle School (JKMS) and Elk Grove High School (EGHS), including those residing north of Calvine Road.

Incoming eighth through twelfth grade students enrolled **after June 1, 2021**, who reside north of Calvine Road and west of Grant Line Road will be redirected to T.R. Smedberg Middle School (TRSMS) and Sheldon High School (SHS). This includes students who reside in the boundaries of Sierra Enterprise Elementary, Sunrise Elementary, Robert J. Mc Garvey Elementary and Arnold Adreani Elementary schools.

As in past years, redirected students will remain at their "new" school for the entire school year to ensure academic program continuity. Should space become available, students will be invited to return to Katherine L. Albiani Middle School (KAMS) or Pleasant Grove High School (PGHS) at the end of the school year for enrollment the following year in the order of their date of placement on the waiting list.

All redirected students are to begin the registration process at Katherine L. Albiani Middle School or Pleasant Grove High School. After you return your completed registration packet to Katherine Albiani Middle School or Pleasant Grove High School, you are asked to contact your "new" middle or high school to make an appointment to select your student's classes. Your processed registration packet will be forwarded to your new school.

Transportation may be provided for redirected students to their new school at no cost. **(Please be advised that there are some non-service areas in which transportation will not be provided.)** Please contact EGUSD Transportation at 916-686-7733 for information regarding service areas or register your student to ride the bus. All students must be registered to ride before attempting to board the bus. Pick up and drop off times and locations will be determined once students register.

My staff and I assure you that your child will receive an excellent education at any of the four redirect schools. Each school has a highly qualified staff, rigorous academic programs, an involved parent community, and a variety of athletic and extracurricular activities.

Should you have further questions or need information regarding your child's new school, please feel free to contact the school directly or through the District website at [www.egusd.net](http://www.egusd.net).

Sincerely,

Chad Sweitzer  
Assistant Superintendent of Schools, Secondary Education
